## OUTDOOR LIVING

The Mediterranean Sea, the sun and outdoors life are part of our DNA, **we cannot avoid it!**

Our designers know it and in each collection they create products capable of breaking the limits that separate the indoor and the outdoor, creating spaces where you want to live every day of the year.

Have you ever wished you had a different pool? Did you imagine that WOW could be part of the solution? In the next few pages we invite you to discover a new world, a world full of inspiration, a world of **Unexpected Surfaces.**
