

A collection of modern bathroom fixtures arranged on a light-colored, textured surface. The items include: a long, vertical gold control bar with four circular buttons and a larger rotary knob at the bottom; a black single-lever faucet; a black handheld showerhead with a curved handle; a large black rectangular showerhead with a grid of small nozzles; a large silver rectangular showerhead with a grid of small nozzles; a large gold circular showerhead with a radial pattern of nozzles; a black circular showerhead with a grid of small nozzles; a curved silver faucet; a black square floor drain cover with two circular openings; a black T-shaped showerhead; a gold handheld showerhead; a silver handheld showerhead; and a black handheld showerhead.

About BAGNODESIGN

For simply stunning bathrooms that stand the test of time, BAGNODESIGN's inspirational collections offer the ultimate in quality, choice and innovation. Combining directional design trends with expert craftsmanship, BAGNODESIGN has everything you need to transform your bathroom into a bespoke retreat where you can unwind, relax and recharge.

Ultra-modern minimalism, sleek contemporary, urban luxe, on-trend industrial, timelessly traditional, decadent opulence... whatever your taste in bathroom design, BAGNODESIGN's extensive ranges will enable you to easily create a striking space that is as individual and unique as you are. With a wide range of high quality fixtures and fittings - from beautiful brassware designed to make a statement in a variety of finishes and invigorating showers in bespoke configurations through to showstopping mirrors and coordinating accessories - BAGNODESIGN is the definitive destination for all your bathroom needs.

*Please note that Polished Nickel as a living finish and Zanzibar as a semi-living finish may change over time with slight finish variation

REVOLUTION

INDUSTRIAL INSPIRATION

Taking inspiration from the clean, utilitarian lines of machinery from the Industrial Revolution, the Revolution brassware range combines an authentic design ethic with subtle detailing for a unique, on-trend feel. With exquisite craftsmanship in every detail, such as the intricate knurling applied to the edges of the flush faced handles, this comprehensive collection is versatile enough to complement a range of interior design aesthetics.

Zanzibar*

*Please note Zanzibar is a semi-living finish and may change over time with slight finish variation.

+

American Oak

For a subtle take on industrial chic, mix chrome and the natural wood texture of warm American Oak for on-trend, timeless styling.

+

Carbone

Brushed Nickel adds warmth and uplifts darker wood tones, such as Carbone or Jacobean. Add organic marble slabs on the walls for a sumptuous look.

+

White Washed

Matt black brassware paired with white washed wood finishes works as a dramatic contrast for an effortlessly cool modern monochrome vibe. Add extra impact with black tiles.

+

Ash

Add an instantly uplifting beach house vibe by pairing Zanzibar in warm brushed brass with cool ash wood tones. The contrast is fresh, airy and relaxed.

Chrome

Brushed Nickel

Zanzibar*

*Please note Zanzibar is a semi-living finish and may change over time with slight finish variation.

Join the dark side with ambient moody tones to add drama and depth. From forest greens and inky blues, to graphite and near black tones; these shades create a great contrast making lighter shades of sanitaryware and brassware pop.

Dare to be different. Explore patterned walls and bring jungle escapism to your bathroom with leaf-printed tiles or wallpaper alongside plenty of plants. Or simply paint the walls a bold colour. A classic finish such as Brushed Nickel will co-ordinate with every shade and pattern!

Natural finishes will emit calming vibes for your timeless retreat. All natural materials work wonderfully together too; experiment with organic Zanzibar, tactile wooden textures and luxurious marble finishes.

Go geometric for added impact:

FINISHES:

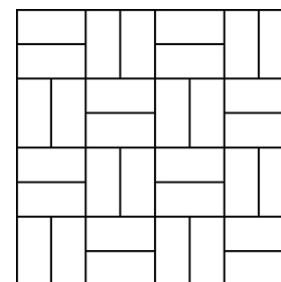

Chrome

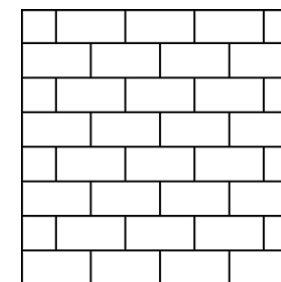

Matt Black

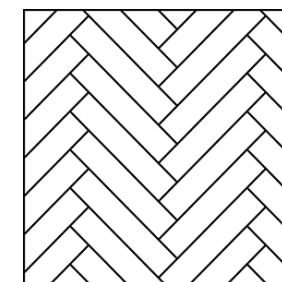

Emphasise the directional shape of Zephyr with similarly styled sanitaryware. Go for maximum impact by making a strong statement with tiles. Play with geometric compositions in unusual configurations for a standout look that is as unique as you are.

Basket Weave

Half Brick Bond

Herringbone

Wall mounted mixers add instant hotel chic appeal. The Zephyr wall mounted mixer with a square countertop basin is the perfect pairing - just be sure to plan for installation space behind the wall.

Pairing black with white has timeless appeal. Add an interesting edge by using black or dark grey grout with white tiles. The final touch? Zephyr brassware throughout the bathroom - from the basin to the shower - with Matt Black accessories.

FINISHES:

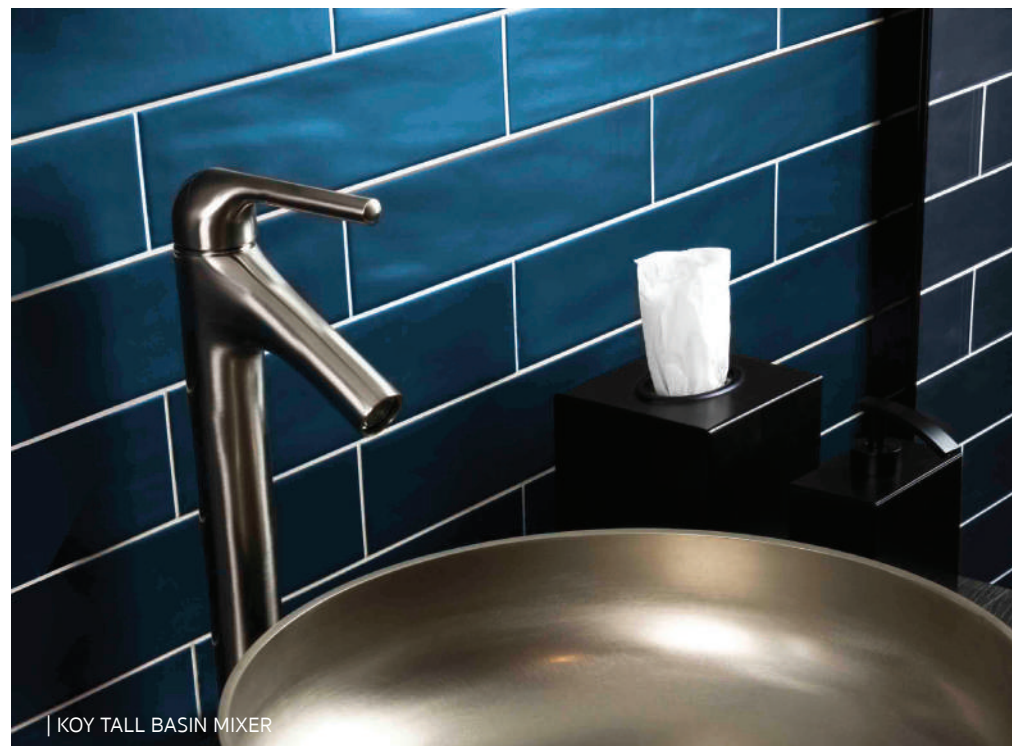

Chrome

Brushed Nickel

Matt Black

| KOY TALL BASIN MIXER

| KOY SHOWER HEAD
ROUND SHOWER ARM

+

=

A contemporary Chrome finish for brassware works well with playful pastels for a fresh look. To add extra oomph, choose two sweet candy tones; use one on the walls and inject the second shade through carefully curated linens and accessories.

+

=

Brushed Nickel paired with blue is a classic bathroom combination. Select your favorite shade from rich royal through to sky blue. Try experimenting to mix and match your blue hues for a bolder look, such as pairing cobalt tiles with a pastel blue vanity unit, and vice versa.

+

=

Striking Matt Black works wonders with both monochrome schemes and rich colour palettes. For a touch of the Mediterranean, opt for Matt Black brassware with peach, brown and red shades for warmth and a touch of earthy drama. Add terrazzo-effect tiles in terracotta tones for the perfect finishing touch.

Black

Zanzibar*

*Please note Zanzibar is a semi-living finish and may change over time with slight finish variation.

=

Round, metal-framed mirrors are totally on-trend. The Monroe mirror (page 65) available in Matt Black and Zanzibar, is guaranteed to give your bathroom space a modern edge.

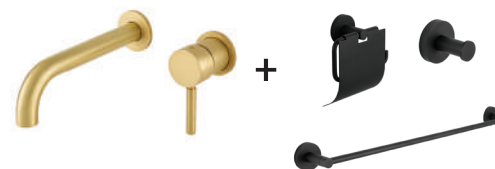

=

Brushed Nickel blends beautifully with other warm tones. Add an aspirational hotel-luxe feel with metallic tiles finished with matching grouting, paired with a basin in bronze or brass.

=

A statement finish does not have to be out of reach if there is a tight budget. Invest in a basin mixer in an alternative finish, such as Matt Black, to create a focal point, with other brassware in complementary chrome.

=

Why play it safe? Raise the style stakes with a mix of Zanzibar brassware and Matt Black. Dial up the drama with black or patterned tiles in darker shades finished with black grout and Matt Black accessories.

IBIZA

STREAMLINED STYLING

Make a statement with Ibiza. Featuring a distinctive cross handle, the geometric styling of Ibiza works beautifully across a wide range of sanitaryware for a modern and funky bathroom look. Match with a chunky, square-shaped washbasin to keep the angular vibe or with a rounder, softer basin for a striking yet complementary contrast.

Find your perfect pairing here

Ibiza paired with marble is the perfect blend of classic and contemporary.

FINISHES:

Chrome

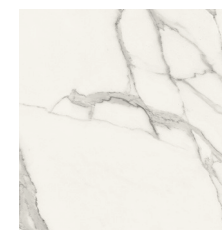

Brushed Nickel

Matt Black

+

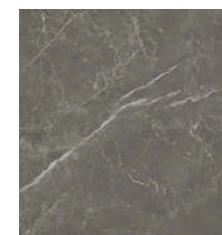

=

The grey veins of Statuario marble pairs perfectly with cool Chrome brassware: extend the look with coordinating tiles, worktops and basins for standout luxury. Accessories and linens in any accent colour will add a unique edge.

+

=

The darker tones of Imperiale and Graphite marble adds drama, particularly when paired with illuminated mirrors. A feature wall in the shower or behind the basin wall in darker marble is a stunning contrast to light Calcutta marble applied across the rest of the bathroom space.

+

=

Travertine effect tiles are a low maintenance option to limestone for both walls and floors. Whilst they are perfectly suited to traditional designs, pairing with a more modern mixer in a striking finish ensures a modern twist.

PRINCESS NOUVEAU

TIMELESS TRADITION

Turn back the clock with a classic bathroom look that will stand the test of time. The perfect complement for period home decor, the Princess Nouveau collection is inspired by the old-world charm of the Edwardian era. Combining a traditional aesthetic and authentic detailing with modern convenience, Princess Nouveau truly represents the best of the old and the new.

Nickel*

Bronze

Gold

*Please note Polished Nickel is a living finish and
will maintain the materials natural characteristics.

+

=

Keep it pretty in pink for 2020. A modern take on a tried-and-tested classic, muted dusty pink shades create a pretty powder room made for relaxation, while classic brassware gets a contemporary lift with a chrome finish.

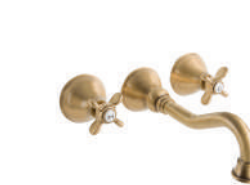

+

=

The warm patina of Polished Nickel contrasts beautifully with cool to mauve-grey hues. Be aware that in South facing bathrooms, the light will bring out the purple undertones, whilst bathrooms facing North will look more grey.

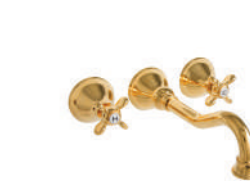

+

=

Green has a calming effect, perfect for a bathroom sanctuary. Opt for a deep forest shade paired with bronze brassware for a touch of opulence. Add houseplants in gold or bronze planters for the finishing touch.

+

=

Glorious gold brassware contrasted with a rich blue shade will create a decadent, timeless ambience. Pure white paintwork will make the rich tones pop. Add decor, artwork and linens in complimentary blue hues for a perfectly finished look.

- Easy cleaning and maintenance without having to remove valve, which is pre-installed into box.
- Colour coded water entry points.
- Min-Max installation depth markings with Level indicator.

THERMOSTATIC SHOWER MIXERS

TOKO THERMOSTATIC SHOWER MIXERS -

An enjoyable, reliable and safe showering experience

For an enjoyable, reliable and safe showering experience, the Toko thermostatic shower mixers range eliminates both the risk of scalding and the shock of an icy cold deluge. If the water pressure drops or if the hot or cold water supply fails, the water will automatically shut off within seconds to safeguard you and your family. Toko thermostatic shower mixers also represent the ultimate in convenience. Simply preselect your ideal water temperature and it will remain constant for the entire time you shower.

Push-Button Activated

Toko thermostatic mixers are simple and intuitive to operate with a single button to turn the mixer both on and off. No other controls are required, which is why the Toko thermostatic mixer range is unique in the market.

Default Flow Rate

The flow rate is set by default and therefore eliminates the need to make any additional adjustments.

Simplified Product Installation & Maintenance

Toko thermostatic mixers are supplied with the new 'Easy Install' installation box, offering:

- Solid wall or dry wall installations.
- Sealed installation box.
- Easy cleaning and maintenance without having to remove valve, which is pre-installed into box.
- Colour coded water entry points.
- Min-Max installation depth markings.

GENERAL FEATURES

BAGNODESIGN Toko Thermostatic shower mixers are suitable for controlled Cold and Hot water supplies using a water chiller and water heater respectively, the installation of which should be carried out by a competent and qualified professional.

Operating Specifications

- Hot water supply temperature:
 - Maximum: 85°C
 - Advisable: 65°C
 - Minimum: 5°C
- Cold water to between 5-20 degrees
- Minimum difference between hot and mixed temperature = 10°C.
- The temperature of the inlet hot water must be higher than the maximum mixed water temperature required from the outlet.

Working Pressures

- Maximum: 10 bar
- Minimum: 1 bar
- Recommended Operating Pressure: 3 bar
- Hot and cold operating pressures should be kept as balanced as possible in order to maintain maximum efficiency.
- When the supply pressure is higher than 5 bar a pressure reducing valve should be fitted before the shower mixer.

Technical Data

- The mixer is supplied with a cover plate to be installed at a depth from 72 mm to 91.5 mm.
- The temperature control knob is preset from the manufacturer at 38°C.
- The mixer ports are supplied with a female thread G 3/4", NPT 3/4".
- The thermostatic mixer is provided with an additional outlet at the base of the mixer.
- When using the bottom outlet, a flow control is required between the mixer and the outlet.
- The bottom outlet is sealed with a removable plug.

Plumbing Recommendations

- An independent hot and cold water supply is required for the shower mixer system.
- The recommended pipe work should be 22mm minimum for low pressure system.
- If more than one shower mixer is installed, the minimum feed should be 28mm (ensure adequate supply of both hot and cold water can be maintained).

We recommend that you carefully read the manual prior to using the mixer.

PLUMBING & FLUSHING

To ensure a coordinated and cohesive design for your bathroom, paying attention to the smaller details pays off. Make sure that your brassware choices are perfectly matched with all the finishing touches, from flush plates and bidet sprays to overflow rings, bath and basin wastes and bottle traps, as every single item contributes to the aesthetic appeal of the end result. These smaller details also deliver persuasive, practical benefits - with modern, minimal solutions such as the bath filler with mixer that eliminates the need for a separate mixing valve.
